

Dear Elementary School Program Director,
Zendor's high energy, age appropriate magic show is way above average in Audience Participation. And both kids and adults enjoy his unique brand of entertainment!

□ It's super easy to join the fun. You supply the room, audience and one electric outlet: Zendor does the rest. He brings colorful props, background and even a sound system so everyone can hear. A Zendor show is jam packed with magic! So a 30 minute show takes at least 45 minutes to set up: a 45 minute show takes 60 minutes. Zendor does magic the way it should be!
